Headteacher's Message

Dear Parents/Carers,

Welcome back to the second half of our Spring term. It has been an action packed week for us at Netherbrook especially considering it is only the first week back!

We have been celebrating World Book Week and Monday began with our Years 3 & 4 and Years 5 & 6 team attending the School Library Service Book Quiz at Dudley Archives with Mrs Avery. The children proved they had a good understanding of the texts and had clearly spent some of their half term reading the required books. They were a credit to the school and congratulations to all involved.

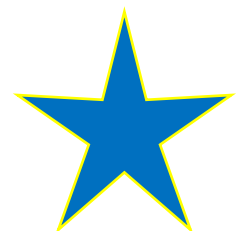

On Thursday, Miss Gordon took our Year 6 team to St James' Primary to participate in the Dudley RE Debate. They successfully persuaded most of the audience, including adults, that their argument of looking after yourself before others was the best. A huge well done to you all! Miss Gordon and the rest of the team at Netherbrook are very proud of you.

Elsewhere in the school we have participated in a range of activities based around books we love. On Thursday children searched for 'Wally' around the school in our 'Where's Wally? School Search.' Well done to our 10 winners across Lower School and Upper School.

This year we also introduced a new competition 'Location, Location, Location' where we asked pupils, parents and staff to take a photo of themselves reading in the most extraordinary places. We had entries that included reading by a rocket, reading while flipping pancakes and even reading upside down! Well done to all of our winners who were congratulated in today's Praise Assembly and received their book token prize. All entries will be displayed to encourage a love of reading. Thank you to everyone that has supported this wonderful week in school.
