- 28.04.17** - FONS AGM

## Headteacher's Message

Dear Parents/Carers,

Just a few reminders this week that on Thursday next week it is **class photo day** so it's a chance for the pupils to look their smartest for a nice photo. It is also the **Early Years Mother's Day Assembly** on Friday 24<sup>th</sup> at 10.30am in the hall.

Thank you to those parents that came to the **E Safety workshop** on Tuesday evening. It was a very useful session and the parents that came had the opportunity for lots of discussion and questions with Heather Jeavons from Dudley IT Team. Some materials from this briefing will be made available on the school website next week. Can I just say that the attendance for the workshop was quite low. It would be wonderful to see many more parents attend these events. Please don't worry if something is called a 'Workshop' nobody will ever be asked to participate in any way that may embarrass them so please do try to attend events like this as they can be very useful and informative.

**Year 6 Inspire** was a great success yesterday with lots of fantastic Anderson Shelters from WW2 being built in the hall. Some had working lights and pull out sections! Hopefully everyone had a fun afternoon working with your children. It was great that the attendance was so high for this too.

Next week, I will be writing to parents regarding some staffing news and also some other very good news too! Watch this space.

Please don't forget to make an appointment for **Parents' Evening** on Thursday 30<sup>th</sup> March. It is really important that all parents attend.

## TODDLER GROUP
