Headteacher's Message

Dear Parents/Carers,

What a fantastic term it has been, how quickly the time has flown. Below is the attendance information for this term. Thank you once again for your support in keeping our attendance so good. You may have seen in the news that the landmark school holiday court case has been lost by the parent. Judges have reiterated that **pupils should not be taking holidays during term time**. I haven't received any further guidance from the Government/LA as yet on this issue but please bear in mind all holidays requested in term time are unauthorised absences. We will keep you posted.

Thank you and well done to all the children that took part in the **Decorate an Egg Competition**. The winning entries were chosen by Tracey and Paula from Tesco. All pupils that entered received a small prize and hopefully had a lot of fun in the making of their entries. The Book Fayre on parents evening was a great success. Thanks to the books parents and children bought we have made **£328.00** for the school to spend on new books for our library. Thanks to Mrs Avery our Librarian for organising this.

After Easter we will be re-launching our **School Life Parents app** for mobile devices for the third and hopefully final time. Shortly after Easter, we will no longer send out paper copies of information letters and newsletters etc. so please download the app and keep it on your devices. There are quite a few genuinely useful things we can do with the app but we will need most people to download it. More information will follow on how to do this soon.

Thanks to all of you who completed a **Parental Survey** on Parents' Evening. We had over 240 completed. The winning raffle ticket for the Nando's prize was the parents of Kayleigh C in Year 1 and the Pizza Express voucher was won by the parents of Evelyn B in Year 4. Enjoy! ☺

I hope everyone has a great Easter break and we will see you back at the normal time on **Monday 24th April**. Happy Easter.
