Headteacher's Message

Dear Parents/Carers,

I hope everyone enjoyed a relaxing and pleasant few weeks off for Easter. We are now entering a very busy time of year so please take a close look at the diary dates on this week's newsletter.

We are **closed on Monday and Thursday** next week and Year 6 SATs week is the week after that.

Year 6 (and Year 2) parents please try to ensure your child does some revision at home over the next week and ensure that during **SATs week**, they get a good night's sleep and come in early to attend our **SATs Breakfast Club**, which is free.

We are having a lot of pupils bring '**Fidget Spinners**' into school. Please note that these toys are not allowed in class during lesson time as they are quite noisy and distracting. It's fine for the children to use them at break and lunchtime but if they use them in lessons they will be confiscated and returned at the end of the day/week. They are the children's responsibility.

The Summer Fayre is fast approaching. Please try to come along to support us on **Friday 9th June** after school. It will be a great evening and will hopefully generate some much needed funds for us to spend on resources for the pupils.

SAFEGUARDING

I would like to ask all parents to check the **privacy settings** on your children's social networking/gaming apps etc. Please remind them NEVER to share any personal information beyond first names only and to report anything that someone says or does to make them feel uncomfortable. Please also ensure your own passwords are robust and that you have adequate **restrictions** in place at home regarding internet access. If you are unsure how to do any of this there is a useful document in the **Parents Information** section on our school website which has links to show you how to add restrictions or privacy settings on to various devices. These are relevant to all service providers such as SKY and Virgin Media.
