Headteacher's Message

Dear Parents/Carers,

Next week is Year 6 SATs week so good luck to all our hard working pupils. They have worked so hard all year and I hope they do as well on their tests as their effort deserves. Parents please try to make sure that the children get a good night's sleep every night next week and have a good breakfast if they aren't coming to the SATs Breakfast Club here at school. Try to encourage them to revise too as any last minute sessions will only help.

Once SATs is out of the way Year 6 will be going on their residential visit to Kingswood, the children remaining behind will be having a nice few days with Mrs Barfoot and Mrs Humphries.

Our Friends of Netherbrook School (FONS) have asked me to see if there are any parents or family members who may be able to commit a few hours each month to support the FONS. The group meets once a month to plan and organise events such as the school discos and other fund raising events in school. The commitments are relatively light and the work that they do all raises funds to support the pupils in school. Next week I will write a letter regarding what events are being planned and asking what parents feel the FONS money should be spent on from the last 12 months of fund raising. Please try to consider joining the group to offer some support for your children. More details will follow next week. Please contact Andrea Bowen in the school office on 01384 818415 if you are interested in joining the group and making a difference for all of Netherbrook's pupils.
