Headteacher's Message

Dear Parents/Carers,

What fantastic weather we have been enjoying this week. During periods of hot weather please try to apply **sun cream** to your child and send them in with a sun hat and water bottle to help keep children cool. Please remember that only water is allowed in bottles held in the classrooms, other drinks in these bottles will be disposed of and replaced with fresh water.

Mrs Woodward will unfortunately not be returning to work for the remainder of the summer due to personal reasons. We will ensure a good level of consistency for the pupils in this class by using the same teacher to cover as often as possible. Please bear with us during this time and let us know if any issues occur.

Miss Hill will also be absent for a few weeks due to medical reasons, again we will ensure consistency across Year 1 during her short absence.

Please take note of the **diary dates** listed opposite, some of these dates come thick and fast but are quite important. The transition meetings are a chance for you to meet your child's new year group teams, to hear about the curriculum and to ask questions etc.

Can I please remind parents that children are not allowed to bring in **unhealthy snacks** at break time or in lunch boxes. From September we will be introducing The Daily Mile (running a mile every day) and a new Healthy Snack Policy, in an effort to fight growing levels of obesity and encourage healthy lifestyles.

Thank you all for your support at our **Summer Fayre** last week. In total we raised nearly £1000.00 which will be spent on improving the Lower School playground area.

Birmingham Children's Hospital Coffee Afternoon *Thank you*

We raised an amazing £1088.75 which included a donation from the Dance Dep0 show. The cheque was taken to the Hospital in the half term and the Hospital staff were extremely grateful.
