**03.6.19 School reopens**

Well done to the school football team!  
We won 4-2 against Withymoor Primary School and won against Milking Bank Primary School 2-1.  
Go Team Netherbrook!!

We have had a number of complaints from local residents about parking in front of their driveways. Please be considerate when parking your car at the beginning and at the end of the school day.

School Life

Dear Parents and Carers,

What a great term it has been, thank you so much for all of your support over the last few months, it really does make a difference.

We break up today for two weeks, pupils return to school on Monday 29<sup>th</sup> April at the usual time of 8.45am. The school is closed on Thursday 2<sup>nd</sup> May for voting and again on Monday 6<sup>th</sup> May for the May Day bank holiday. We are open as usual on Friday 3<sup>rd</sup> May so please make sure that your child attends as normal on this day.

Well done to everyone in KS2 who took part in the Decorate an Egg Competition, we have had some amazing entries this year and it is always a pleasure to see what the children come up with. Well done to Scarlett M who won the competition this year. Lucy B and William S finished in 2<sup>nd</sup> and 3<sup>rd</sup> places respectively.

Early Years showed off their Easter Bonnets today for their families and again, so much hard work and effort has gone into them...they look amazing. As with all events like these hopefully the fun is in working together to create something special, rather than the winning!

A big thank you to Mrs Beesley who returned to judge the Easter Bonnets and our Chair of Governors Mr Smith and Paula Cope from Tesco Cradley Heath who judged the egg competition. It is NEVER easy!

We have had few instances of children being knocked over by cars in the local area recently. Fortunately, nobody has been seriously hurt. Road safety is something we spend a lot of time on in school but seemingly we need to do more. Please remind your children about road safety rules and actually practise crossing the road with them regularly. It only takes one moment of poor judgement to have potentially catastrophic effects.

I hope that everyone in our school family has a relaxing and peaceful Easter break and that everyone returns to school safely on Monday 29<sup>th</sup> April.

Please check the 'Parents Information' section on our school website for information on Easter holiday clubs, local events and activities taking place across Dudley over the next few weeks. There is a lot going on. See you all soon. ☺

Student of the Week

Raegen F, Diego M, Elizabeth N, Logan S, Kayden S, Charlie S, Megan H, Grace P, Ryan S. Jack P, William C, Ryan C, Isabelle K. Jov W. Jack H. Adam T. Antonio P. Samuel D.

Thank you for all the effort everyone put in for Science day. The children thoroughly enjoyed all of the exciting things going on during the school day and everyone looked fantastic in their costumes.

Everyone from Reception to Year Three had a special Science assembly where we watched 'Terry' do a series of experiments. We watched Mentos sweets react and fizz out of a bottle, the creation of 'elephant toothpaste' and Mr Reeve and Mr Hayfield's hands set alight! There were also various Science lessons going on in different year groups, Year Three conducted an experiment with rocks and Year Four and Two watched skittles dissolve in water, which created a lovely pattern.

Year One had a visit with a 'Planetarium' on Wednesday 10<sup>th</sup> April, which they really enjoyed and Year Two had a visit from the 'Exploratorium' on Science day. Overall, we have had a brilliant time and the children really were enthused about Science!

Thank you once again for all the effort everyone had gone to, it made for a really memorable day!

The School has been CRACKING with EGG-CITEMENT this week!

Here are just a few of the EGG-mazing decorate an egg competition entries and some EGG-cellent Easter bonnets from our EYFS children.
