Headteacher's Message

Dear Parents/Carers,

Oh Come All Ye Faithful... Wednesday 14th December is the big Christmas Market and Carols Evening. Please do come along and bring friends and family. It should be a wonderful evening. It starts at 3.30pm in the hall and Lower School Playground. The brass band and carols will start at 6.00pm. Please do try to support us in this new endeavour! Entry is through the main entrance by the office. Please note tickets to see Santa are not time specific.

Next Friday 16th December is the last day of term and I must remind parents that the end of the day is 12.30pm. Please ensure that suitable arrangements have been made to collect children promptly at this time. This day is also a Mufti day. Children may wear their own clothes and Christmas Jumper. If you would like to make an optional charitable donation to National Christmas Jumper Day then please send this in with your child on the day.

Christmas Lunch is served on Tuesday next week so please ensure your child has the correct money if they are having a hot dinner. Rec-Year 2 children do not have to pay for school dinners.

Thank you to all those that attended the Lower School play last week and also the Nursery sing-alongs and Reception Nativity. The children were fantastic and worked very hard to learn all of their lines, dances and songs.

I feel that I need to comment on the level of noise in the hall during the Lower School play. Sadly the noise level from some sections of the audience was very loud and as such some pupils forgot their lines and even some of the louder actors couldn't be heard. I appreciate that young babies and children will cry and shout out and that this is often unavoidable but there was also a lot of noise from adults too. I must ask that in future all parents and visitors do their utmost to keep noise to a minimum in a gesture of respect to other parents, but mainly to show respect for the hard work that the children and staff have put in. We will be evaluating our approach to ticket sales, numbers of seats and times/numbers of shows to see how the school can also help in improving this situation.
