- 02.04.20 **Parents Evening – Whole school**
- 03.04.20 Break Up for Easter 3.15pm

06.04.20-17.04.20 Easter Holidays

Dear Parents and Carers,

We are now very much back into the swing of things in school. As such, can I please remind parents to make sure that all equipment that might be needed by the children is in school – for example PE Kits, Forest School clothes and Pupil Planners etc. We also have a massive amount of lost property in school, so please come and have a look if your child has lost anything recently. Items that remain unnamed and unclaimed will be given to local charity shops at the end of each term.

Please remember that your child should be bringing back homework every week, as well as a new reading book and times tables/number bonds to practise. Homework is given out on Friday and should be returned the following Wednesday in all classes including Reception.

This week Year 3 and 5 have enjoyed the somewhat belated start to their swimming programme. Everyone enjoyed their first session. Can I please remind parents to make sure that you send in the contributions for swimming as we can only provide this level of provision with your ongoing support. If you can find time to take your child swimming outside of school this also helps a lot with water confidence.

Year 5 have also enjoyed the 'Rainforest Roadshow' today. They really enjoyed learning about some endangered animals and what is being done to support them.

On Monday, we have a puppet theatre coming in to school to put on a show called 'The Zoo That Came to You'. This is about endangered animals and is part of our whole school topic on the 'Wonderful World'.

Please have a good look at the extensive diary dates listed on this week's newsletter and add these to your diaries. We have now arranged our last **INSET day** for **Friday 14th February** which is the last day of this half term. Hopefully this might help with booking a slightly cheaper family holiday!

Good luck to 4FR with their class assembly on Tuesday! ☺
