Dear Parents and Carers,

It has been a busy week in school but things are starting to seem more normal.

From next week, we will be introducing some minor changes to our year group organisation. We are allowing the teachers a greater degree of control over their own classroom layouts and also allowing some work across year groups to occur, instead of keeping everything tied down to individual classes.

Our approach has always been to have a 'classes first' then year group bubble model and these small changes are part of that approach. Pupils will still be predominantly based in their individual class bubbles, but some targeted group work will take place across the year group where deemed necessary to support the pupils' education and development. Pupils will still remain isolated from children in other year groups at all times.

Please note that we have now opened up our playground exercise equipment and the Upper School wooden climbing frame on a class rota basis. The wooden climbing frame should not be used by any children before or after school under any circumstances, so please ensure that you do not allow your child to do this.

Our first students of the week have had their awards today so well done to them. A big well done to Reception for their first week in school. You have all been brilliant.

Take care and have a great weekend
Stay safe

PE Kit

Can I also remind parents about the PE uniform – this should be plain black or blue tracksuit with a plain white T shirt, **please do not send in pupils in different colours**, especially as children are wearing this all day – it becomes their uniform for the day.
