

Friday 12th March 2021

Dear Parents and Carers,

Well, we have finished our first full week back and it has gone very well. The children seem to be happy to be back in school and they have been getting back into the swing of things this week. Thank you for your support – as ever it is very much appreciated. I am really pleased that everyone has supported us by wearing face masks etc. Hopefully we are now on the path towards an end to all of the restrictions.

I also need to remind Lower School parents (Years 1,2,3) that children should never be left unaccompanied on the site before school. We take on responsibility for the children's safety at the point that staff are on duty. Until then parents should remain with their children. So please stay with your child on the field ramp especially.

Parents Evening slots will be available shortly, if not already (this is arranged by School Life) so please check the app and book your appointment slot – remember to add a contact number for us to call you on.

On Parents Evening the teachers will likely discuss: How your child has settled back in, any behaviour or attitude issues, effort, home learning, early assessment information, if they are being focussed on for any additional interventions to help them catch up and will explain what SEND support they may be getting. They will also ask you if you have any worries or concerns or things you want us to be aware of. All appointment slots are strictly 10 minutes to ensure that everyone can be spoken to.

Just a reminder to all of the children (and the moms' partners) that it is Mother's Day on Sunday 14th March -this weekend. I hope all of our moms and other important ladies have a lovely day and that you are pampered and appreciated! 😊

Have a great weekend.
Mr Rawlings

Next Friday is Comic Relief, so we will be having a mufti day to celebrate and raise money. This is a 'Superhero' theme. But if your child wants to wear normal clothes, then that's fine too – donations of £1.00 for the charity would be greatly appreciated.

Reminder

Class Dojo should not be used for any important messages, that need action. This includes; absence messages, changing of contact details and anything that requires the admin team to do, as the messages may not be read by the people that need to take the appropriate action.

During lockdown, we were provided with laptops from the Government. These are now being put to good use in our classrooms.

Please note that our first new batch of Students of the Week will be given out next Friday.
