Friday 18th February 2022

Dear Parents and Carers,

Well, half term is finally upon us. It has been a really good term so far, so well done to all of the children for their constant hard work and determination since we came back in January. There is lots more fun to come before Easter.

Parents Evening

Our second Parents' Evening of the year will be held on Thursday 31st March across all classes. This will be face to face for all appointments and will be held in the children's classrooms between 4.00pm and 9.00pm. Appointment slots will be made available through the School Life app (not Class Dojo) when we return after half term. Please make sure you make an appointment to discuss how your child(ren) are getting on.

We will also hopefully have a Book Fair running in the hall on this evening, hosted by members of the FONS – if you wish to buy a book then please come and look – please note that this is cash only.

There will also be a chance for you to give us some long overdue feedback through the parent questionnaires. As usual if you complete a survey you will be entered into the raffle to win Nando's restaurant vouchers. AND...there will be some school dinner food tasting for you to sample on your way into school, hopefully showing parents and carers the quality of the school meals on offer.

The School Governors will also be on hand for you to discuss any issues or concerns with.

Playground Changes

Due to health and safety concerns for our youngest pupils we will be closing the gate in between the EYFS playground and the Key Stage 2 playground before and after school. This will mean that there will be no way through from one playground to the other. This is to ensure that younger pupils are safe before school and to make also enable staff to set up the outdoor area in EYFS before the start of the school day when necessary.

Please note that if you leave pupils unaccompanied before school starts at 8.45am they are not supervised and they remain your responsibility until 8.45am when the bell goes.

Finally, I hope that everyone has a lovely half term break and that the children get some time to recharge their batteries. We look forward to seeing you all again on Monday 28th February at the usual time of 8.45am.

Take care.

Mr Rawlings
