

Dear Parents and Carers

It was great to see so many of you last night at Parents Evening. I hope that those of you that were able to attend found it informative and useful. Many schools are still doing virtual meetings so I was pleased and proud of the staff for being so supportive in doing the face to face meetings.

THANK YOU

FOR COMPLETING THE SURVEY

Thanks to everyone who completed a parent survey for us. Your views will help us to improve the school. The winning raffle ticket and a £30.00 Nando's voucher goes to... the parents of Libby F in 6LJ. Well done and enjoy. The voucher will be available for collection for the school office next week.

Thank you once again for your patience and understanding over the last few weeks with our bubbles and closures of certain areas of Nursery. Hopefully the staffing issues we have endured this last few weeks will be over on Monday. Please presume that all areas of school are open as normal unless you hear otherwise from me over the weekend.

Please note that (despite our requests) the school is closed for voting on **Thursday 5th May** and also **Monday 2nd May** for the May Day Bank Holiday. The following week is SATS week for Year 6 wb: 09.05.22.

If parents in Year 6 can discuss any areas of maths and reading that your child feels are weaker than others, then this last minute revision will make all the difference. I've been talking to the children in school recently about the fact that there are moments in our lives when we need to step up and really focus. This is something that we are working on a great deal in school.

I have had a few local residents complain about inconsiderate parking again at the start and end of the day. Please **DO NOT** block resident's driveways without their permission and drive considerately around the school.

Well done to our students of the week and to the children that have already completed the 50 book challenge. We are very proud of your effort and hard work.

Have a great weekend.
Mr Rawlings
