

Friday 17th June 2022

Dear Parents and Carers,

This week has been really lovely, we have had some excellent weather and a fantastic Jubilee Street Party on Wednesday. The children all seemed to really enjoy the experience.

## WELL DONE!

Well done to year 4 for completing their Multiplications Checks this week, it all seemed to go well. They have been practising hard for several months so hopefully this effort will be rewarded.

The Year 6 team also had a Local Authority Writing Moderation Assessment as part of the LA's normal yearly monitoring of schools. This went extremely well and the moderation team remarked on the quality of our pupil's handwriting and spelling in particular – two things we have been working hard on for a few years now. So well done to the pupils and the staff for their efforts.

Year 4 will be going to the MAC Theatre in Edgbaston on Tuesday to look at the art exhibits that local schools have produced – including us. It was quite a mammoth feat to get our 'tree' to Birmingham– we look forward to displaying it in the main entrance from next week. Make sure you come and take a look, it's epic!

The production practice is now in full swing and going well, if your child is involved please encourage them to practice their lines and songs at home whenever possible. It makes everything much easier when the children are confident.

Next week sees Year 2 go on their trip to Dudley Zoo. They all seem very excited about this ☺

Have a great weekend.

Mr Rawlings
