Friday 8th July 2022

Dear Parents and Carers,

The end of term is fast approaching and school is incredibly busy as usual.

Well done to the children that took part in the sports activities at Stourbridge Rugby Club this week, you were excellent and seemed to have really enjoyed the experience.

Our Early Years children and families enjoyed a wonderful trip to Weston-Super-Mare on Tuesday, thanks for all of your support with this, it went very smoothly and everyone had a lovely day at the seaside.

The children will meet their new teachers for next year on Monday 18th July and their reports will go home next Friday 15th July. Please note that the current Reception, Year 1 and Year 3 classes have been mixed, so pupils may not be with the same pupils as this year.

Year 4 children will be taking part in the Star for A Day event, at The Crescent Theatre in Birmingham on Sunday. Good luck and enjoy every moment.

The big Upper School Production of 'Olivia' will take place on Wednesday and Thursday evenings. The performances start at 7.00pm and tickets are still available from the office. A separate letter will be sent to the parents or the cast and choir detailing what time to drop off etc. We look forward to seeing you there.

We also have our Reception induction meeting for new starters at 5.00pm on Wednesday 13th July. This will be in the main hall.

Year 6 will finish the week with their trip to Drayton Manor. Where I look forward to taking them on the thrill rides!!!

Please don't park or drop children off on the staff car park on Norwich Road, this car park is for staff use only and we don't want any accidents to occur.

Well done to all of our students of the week, we are very proud of all your hard work and effort this week. Keep it up.

Have a great weekend and enjoy the sunshine.

Mr Rawlings

September 2022

- 05.09.22 School Closed to Pupils
- 06.09.22 School Closed to Pupils

Mathlete of the Month

Mathlete of the Month for June is Nabeel in 6LJ for his excellent level of participation. He has logged on 8 times for a total of over 3 hours; more than anyone else in school! He also participated in live Mathematics and voluntary activities. Well done Nabeel - brilliant job!

Next week is forecast to be very hot. Can I please remind parents to send pupils into school with a hat, sun cream and a filled bottle of water.

Please apply sun cream before school and show your children how to reapply it if needed. Staff can assist with applying cream to arms and faces, but it's better if the children can do this for themselves.

Students of the Week

Reeva A, Kian E, Tommy B,
Jake M, Aiden-James B, Mya A & Joey W.
