Dear Parents and Carers,

It has been a busy week. Well done to Year 5 and 6 pupils that took part in the athletics competition at St James' High school in Dudley. We didn't win but the children had fun, tried their best and represented our school superbly. Well done to all involved.

I hope that you will have already received your child's photo proofs, please try to return any orders ASAP to benefit from free delivery to school etc.

Next week is Anti-Bullying Week. Pupils bullying and its effects in class, I'll be doing a special Anti-Bullying assembly with our Anti-Bullying Ambassadors.

To celebrate our differences we are asking all children to come to school wearing ODD SOCKS on Monday under their normal school uniform. These can be bright and different colours etc. Both feet should be different socks – odd! It would be good if trousers legs were turned up slightly, to show them off all day. I have mine ready. Parents are free if not encouraged to wear your own odd socks too! ☺

Can I please remind parents not to block the driveways of our local residents for any reason and for any length of time. I have had a complaint recently and it really is not fair. There is a good amount of parking available on Bristol Road so please park there and walk the last 100 yards up to school if you are struggling to park appropriately.

I have sent a parent survey out to everyone today on behalf of TEFAT our academy trust. If you can spare a few minutes I would be grateful if you could fill this in for us.

Please note down the school event dates in your diaries as it is starting to get busy now in the run up to Christmas.

Have a great weekend.

Mr Rawlings

To celebrate Maths Week next week, T. T. Rockstars are running a national competition in which our children in years 3-6 are participating. From Monday 14th November to Wednesday 16th November, our pupils will compete against others all across England to attempt to answer the most times tables' questions correctly. The winning school will be based on the highest average number of correct answers per student.

Children can play any game type, for up to 60 minutes per day, between 7:30am and 7:30pm, to increase our school's total. Prizes will be awarded to the best schools in the country. In the spirit of competition, please do not play on their behalf but encourage your children in years 3-6 to participate.

Let's rock this competition!

Students of the Week
