Dear Parents and Carers

Thank you for your support with Children in Need today, we have raised £335 for this very worthwhile charity.

It has been a very busy week in school, well done to Year 6 for behaving so well at the Black Country Museum yesterday. Many of the museum staff commented on how great you were. I hope that the trip will be useful to support the Industrial revolution topic in Year 6 over the coming weeks.

Next week is test week in school for all children in Years 1-6. So if you get some time to practise some maths questions or number bonds to 10 etc. over the weekend it might help.

FSW ROLE

We recently appointed a new Family Support Worker to replace Mrs Bowen, but sadly that person dropped out the day before they were due to start, so please bear with us whilst we re-appoint to this role. We are interviewing again next week.

COMMUNITY COUNCIL

Next Friday sees the Community Council (Governors) visit to the school to look at changes in our maths curriculum and to speak to some pupils about their experience in school.

WORLD CUP

Don't forget that children may wear England or football related clothing (other countries are available!) on Monday if they wish to. We will allow pupils to watch the England vs Iran match in the hall if they wish to. Kick-off is at 1.00pm so this will be in or around lunchtime. Please make sure that clothing is suitable for PE if it is your child's PE day.

PRODUCTIONS

Early Years and KS1 are now preparing for their Christmas productions. The shows will be a little shorter than normal as we are expanding our performing arts to include a Year 3 & 4 production in the spring term.

Have a great weekend.

Mr Rawlings

ENG AND ROCKS

This week our Key Stage 2 pupils have been taking part in the national 'England Rocks' T. T. Rockstars battle. It was a very tough competition but many of our children did us proud, really showing their best competitive spirit. We managed a final school score of 74,138 points (the top primary school score was 1,726,024!). Well done to all the children who took part - we're really proud of your efforts.

Special congratulations go to **Jacob (6C)**, **Jessica (4T)** and **Ezekiel (6J)**: our three top scorers. 6C, 6J and 4T were our top scoring classes.

Children should continue to practise their times tables regularly please as confident times table recall helps them in so many areas of their maths work.

Students of the Week

Well done to all of our students of the week this week.

We are very proud of you.

- Zara R, Lacey J, Nabiha F, Lola W,
- Jensen J, Arshveer K, William C, Poppy T,
- Isabella L & Jacob G
