

Dear Parents/ Carers

We're heading into week 7 and 8 of home learning and our topic is now 'Growth'. We've created a home learning sheet for each week based on a book. The first week is 'The Very Hungry Caterpillar' (w.c 18.05.20) and the second week is 'Tadpoles Promise' (w.c 01.06.20). Read, listen to or watch the story every day. By the end of the week your child will be able to join in with repeated refrains (parts in the story that repeat over and over) and should be able to retell the story themselves.

The second week of this Home Learning Pack (w.c 01.06.20) is when the government are aiming to start returning children back into school. If this is the case, we will keep you informed of any changes that are made.

Try to choose one activity from each box to complete everyday. Remember your child won't sit and engage in activities for long periods of time so try to keep these to 10 or 15 minutes, unless your child wants to carry on for longer. All the activities we have suggested should be fun, children learn best when they are having fun!

On a daily basis try to get your child to:

- Write their first name and surname
- Write a simple sentence about something they have done
- Write their numbers to 20 ensuring they are correctly formed with no reversals
- Practice their kinetic letters formation
- Read and share a story with you
- Take part in physical activity
- Limit screen time on ipads, tablets and game consoles

If you have any questions remember you can email RecRMW@netherbrook.dudley.sch.uk or RecRH@netherbrook.dudley.sch.uk We would love to see or hear about any of the activities you and your child have enjoyed doing. You can email us photographs or just a message to let us know how you are getting on. You can also post to the Netherbrook Primary School Twitter account (@NetherbrookS). Ms Hinton has made Kinetic Letters videos and phonics videos which are posted on the Netherbrook Primary School website, Twitter and YouTube accounts. Keep your eyes peeled for these!

Please find below a list of useful websites that you can also use with your child.

Stay safe,

Mrs Marshall, Mrs Wilkes and Mr Hayfield.
