

Weeks Beginning 6th & 13th July

Dear 2C,

I hope you are all having fun at home with your families and are enjoying completing the learning activities that I have set for you. Today you will find the final two weeks of home learning plans. It has been a very unusual Spring and Summer term for us. Mrs Harris and I have missed seeing all of your lovely faces, but we are so very proud of the way you have carried on having fun and learning at home. It has been a pleasure to receive emails from your families and to see photographs and hear about the tasks that you have completed. I have been so impressed with how creative you have been and the fantastic standard of work that I have seen.

Your Year Three teachers are so excited to see you and they are already planning some lovely activities for you to complete when you return to school in September. We know it will have been a while since you were last at school so, they will give you plenty of opportunities to have a chat about your time at home and to help you settle back into school. I know you will all be so excited to see your friends in 2C. I will certainly be popping into your classroom to say hello and will have a chat with you on the playground and when I see you around school.

I want to say a big thank you to your grown-ups too. They have been incredibly supportive and have done a marvellous job at helping you with your learning at home.

I look forward to seeing you all very soon. After you have completed the next two weeks of learning, I hope you have a safe and fun six weeks holiday.

Take care

Mrs Chambers
